100 Main supports clean energy initiatives. Since the installation of the solar panels in 2016, it is estimated that over 160,000 pounds of CO2 Emission saved which is equivalent to over 1200 trees planted.

What our Lessee's are saying:

- ▶ “The building and office have worked out great. A nice and quiet setting. The office size has turned out to be perfect for my needs. So, yes I am renewing the yearly lease.” S.M.
- ▶ “Thank you for wishing me well, and for providing an amazing environment to work this past year. I will really miss it.” AK Photography
- ▶ “You have been top notch landlords, the best I have experienced and I have been through three sets of landlords there as a long time tenant.” M.S., Esq.
- ▶ “Thank you again for working me as much as you have over the course of my lease as it's been a great experience for me. If I'm ever able to get an outside office again you'll be my first call. Thanks again and stay in touch.” C.M. | Business Development | UKG
